TRUMP: THE WORLD'S BIGGEST HYPOCRITE

"Some people consider me the hypocrisy police," Larry Flynt was fond of saying. Exposing hypocrisy was at the heart of HUSTLER cartoons and a clear motive behind Flynt's revelations of the money-grubbing Moral Majority, infidelities of incoming House Speaker Bob Livingston, and accusations against Republicans Bob Barr, David Vitter…and the list goes on, such that getting "Flynted" entered the political lexicon.

My husband was well aware of the danger Donald Trump posed when he ran an ad in *The Washington Post* in 2017 offering $10 million for information leading to Trump's impeachment. But I think even he might be surprised at the audacity of this second term, when the President's duplicity has become so constant, it is now the expected norm.

But just because it's the norm does not mean it should be glossed over. Quite the opposite. The world's biggest hypocrite needs to be called out for each and every instance of hypocrisy. As I write, the Jeffrey Epstein drama is unfolding, with Trump doing a complete 180 on his campaign promise to supporters to release "the Epstein files." I feel confident the reason behind this about-face is that our pussy-grabbing President knows damn well he is implicated in those files.

This man consistently advocates for states' rights on issues like abortion and disaster relief and yet seeks to increase federal control on elections and climate policy.

He calls himself a "fiscal hawk," and yet his Big Beautiful Bill is conservatively estimated to add $3.4 *trillion* to our primary deficit over the next ten years.

After repeated promises to "drain the swamp," Trump has surrounded himself by inept loyalists such that the swamp is now swallowing up Washington, D.C.

And the list goes on, but it is important that every single instance be brought to the attention of the American public until the world's biggest hypocrite is gone.

KRISTI NOEM

After the monster flood that killed at least 135 people in the Texas Hill Country in July, survivors who had lost everything but their lives struggled to find food, shelter and medical care. Yet two-thirds of their calls to the Federal Emergency Management Agency (FEMA) disaster assistance line went unanswered because Department of Homeland Security (DHS) Secretary Kristi Noem had failed to renew call center contracts. Why was FEMA out to lunch? Because in June, as part of his Department of Government Efficiency quest to dismantle most of the federal government, Trump announced, "We want to wean off of FEMA," in part because it was "very, very expensive." To help the Big Boss in this mission, Kristi Noem instituted a policy requiring her personal approval for any contracts and grants over $100,000. It took a full five days after the Texas disaster for her to finally approve the renewed call center contract. She even dawdled for 72 hours after the massive flooding began before authorizing FEMA's Urban Search and Rescue teams to assist in the search for survivors and bodies.

The *Houston Chronicle* blasted her: "Heck of a job, Secretary Noem." The snide remark brought back memories of another bungled Republican response to a natural disaster. Back in 2005 Hurricane Katrina devastated New Orleans and the Gulf Coast, with over 1,800 fatalities, largely because FEMA was AWOL under the direction of President George W. Bush appointee Michael Brown, who had zero experience with disaster management. But Bush praised him anyway: "Heck of a job, Brownie!" The *Chronicle*'s editorial about the Texas flood horrors didn't mince words: "Leaving disaster victims on hold isn't governmental efficiency. It's heartless."

Which perfectly describes this macho MAGA cowgirl from South Dakota: heartless. How else can you characterize a woman who dragged her 14-month-old pet dog, Cricket, to a gravel pit on her farm and shot it to death because the puppy was deemed untrainable and had killed a neighbor's chickens? Then, later that same day, this off-kilter gun lover dragged a goat to the gravel pit and tied it to a stake, but only wounded it at first because the goat jumped as she fired. So she had to hike across a pasture to her pickup truck to reload before returning to finish the job. The goat had a "wretched smell" and had chased her children, she said. Noem actually brags about these killings in her memoir *No Going Back* as indicative of her leadership qualities—that she's a "doer" and not an "avoider." If only she had been *doing* her job as DHS and FEMA supervisor instead of *avoiding* her responsibilities during the Texas flood emergency…

But really anything that Noem says or writes is suspect. This sentence is also printed in her book: "I remember when I met with North Korean dictator Kim Jong Un. I'm sure he underestimated me, having no clue about my experience staring down little tyrants (I'd been a children's pastor, after all)." One small problem here: She's never been to North Korea and never met Kim Jong Un. Confronted with the whopper, she sort of confessed, "This anecdote shouldn't have been in the book, and as soon as it was brought to my attention, I made sure that that was adjusted"—implying that a ghost writer or editor had penned the error. But Noem herself read the whole manuscript for the audiobook version. Your pants are flaming like Mount Kilauea, Ms. Kristi!

Well, it's expected that politicians lie and dodge when their fibs are exposed. What's not expected for a top official running a huge federal, law-enforcing department is Noem's incredible ignorance of American law. In a congressional hearing, she was asked what habeas corpus means and replied that it's "a Constitutional right that the President has to be able to remove people from this country." *Jeopardy!* BUZZER! Translated literally as "you shall have the body," it is the most fundamental law in all of U.S. jurisprudence, guaranteeing that a king or President or any other authority cannot detain any person willy-nilly without due process—almost the exact opposite of what Noem said. Asked where this bedrock principle appears in the U.S. Constitution (Article 1), she came up blank. Such stupidity might be tolerable in your local city councilman, but it's mind-blowing for the chief of Homeland Security.

The habeas corpus issue has become front and center with Trump's mass deportation dragnet rounding up not only proven criminal aliens but also a host of non-dangerous and innocent people without any criminal record. The horror stories have been mounting: Columbia University student Mahmoud Khalil, a legal U.S. permanent resident of Palestinian parents, was arrested by ICE for protesting Israel's barbaric actions in Gaza, along with several other foreign student activists nationwide whom the Trump Administration is trying to deport—simply for exercising free speech. A ten-year-old girl with cerebral palsy was separated from her parents and transported to a facility in San Antonio. A woman represented by the ACLU of Texas was taken aside and stripped at the El Paso point of entry station, her genitalia and rectum examined with a flashlight, and then taken to a hospital for hours of degrading exams—all for nothing. She had no drugs. When released, she was told that unless she signed a consent form for all this unnecessary humiliation, *she would be billed for it!* Apparently, Ms. Kristi is also ignorant that the Constitution guarantees fundamental rights of due process for *all persons*, not just *citizens* of the U.S. Because they are human beings.

Twenty-eight-year-old British graphic designer Rebecca Burke, on a valid tourist visa, was detained while trying to cross into Canada, because she told the ICE agents that she was touring our country on a budget and had sometimes performed household chores in exchange for a place to stay. She was shackled hand and foot and trucked to an ICE detention center for 19 days. She's not alone; other tourists have been locked up for over a month, much of it in solitary, for similar "offenses" or suspicions.

At a press conference in Los Angeles, Noem was bloviating when U.S. Senator Alex Padilla from California interrupted to ask a question. He was promptly wrestled out of the room, thrown to the floor, handcuffed and removed from the building without a peep of dissent from Noem. "If that's how they treat a senator trying to ask a question," said Padilla later, "then imagine, not what they can do, what they are doing to so many people without titles." ICE goons in plain clothes and masks are snatching people from courthouses, churches, schools and retail stores across the U.S., often without valid warrants.

All of these outrages are happening under the reign of "ICE Barbie"—so nicknamed for her many cosplaying photo ops. Noem may be fuzzy on the laws of the land, but she's got the PR optics down. She's performed as: an ICE cop holding an AR-15; a firefighter gripping a spurting water hose; a horse-ridin' cowgirl; and a camo-clad Army soldier with night-vision goggles. Hell, she's a one-woman Village People act! She hasn't done Wonder Woman yet, but we'd bet on it soon. We can't wait for the day that Noem is sent packing back to the farm or, better yet, held accountable for her crimes of ignorance. H

I can be either dominant or submissive in the bedroom, depending on the situation, but I have to admit—I *love* to be worshipped and treated like a goddess. Especially when it comes to having my feet worshipped. I think my legs and feet are the most beautiful parts of my body, and I really enjoy it when guys pay special attention to them. Want to make me a happy woman? Get on your knees and kiss every inch of me, starting with my toes…

"I'm pretty shy in real life, which is funny, because I love having sex in public places—that is probably my favorite kink. Being in porn has helped me overcome my shyness, of course. My sexual boundaries have expanded for sure. I'm always finding new things that I haven't done before, and I love sharing those new discoveries with my fans!"

Guys love my blowjobs and the way my tight, little pussy can grip a cock, but I have a secret weapon that really blows their minds—I give amazing footjobs! I love giving them too. I have a hardcore foot fetish and get so wet when a man slides his dick between my soles. I can actually come from giving a footjob. And the very best is when a lover shoots a huge load on my toes as a result of my fancy footwork!

"My ears are also super sensitive, and I like it when a guy tongues the inside of them. I've actually fantasized lately about having a dude fuck my ears. I don't even know how possible that is, but I'd like to give it a try and see what it's like to literally hear a man coming!"

CHIQUITA

RUB HER THE RIGHT WAY

PHOTOGRAPHY BY
MARK LIT FOR DIGITAL DESIRE

Thousands of miles from HUSTLER headquarters, sitting in her cottage beneath an ominous cloud of volcanic ash, is the breathtaking newcomer **Chiquita**. Speaking to us via telephone from the Czech Republic, she recounts her first time with a very unlikely partner. “I discovered sex at an early age and very accidentally,” **Chiquita** begins lightheartedly.

“My job was to sweep up our home with this big wooden broom while my parents were at work,” **Chiquita** continues. “One day I accidentally hit myself in the vagina with the broom handle. It stung a bit but in a good way. While rubbing my pussy to make it feel better, I experienced a tingling sensation I never had known before. Then I had my first orgasm. After that I began to rub myself on a daily basis.”

What kind of man does bosomy **Chiquita** like to rub against? “I like big hands,” she answers. “Obviously! But more importantly, he should be fun. I like to go out and party. You know, really live life. It’s nice when you find someone who shares that same sense of adventure. And who says it has to be a man? I’m open, and I’m easy. Wait, that sounds wrong.”

No, **Chiquita**, it sounds very right.

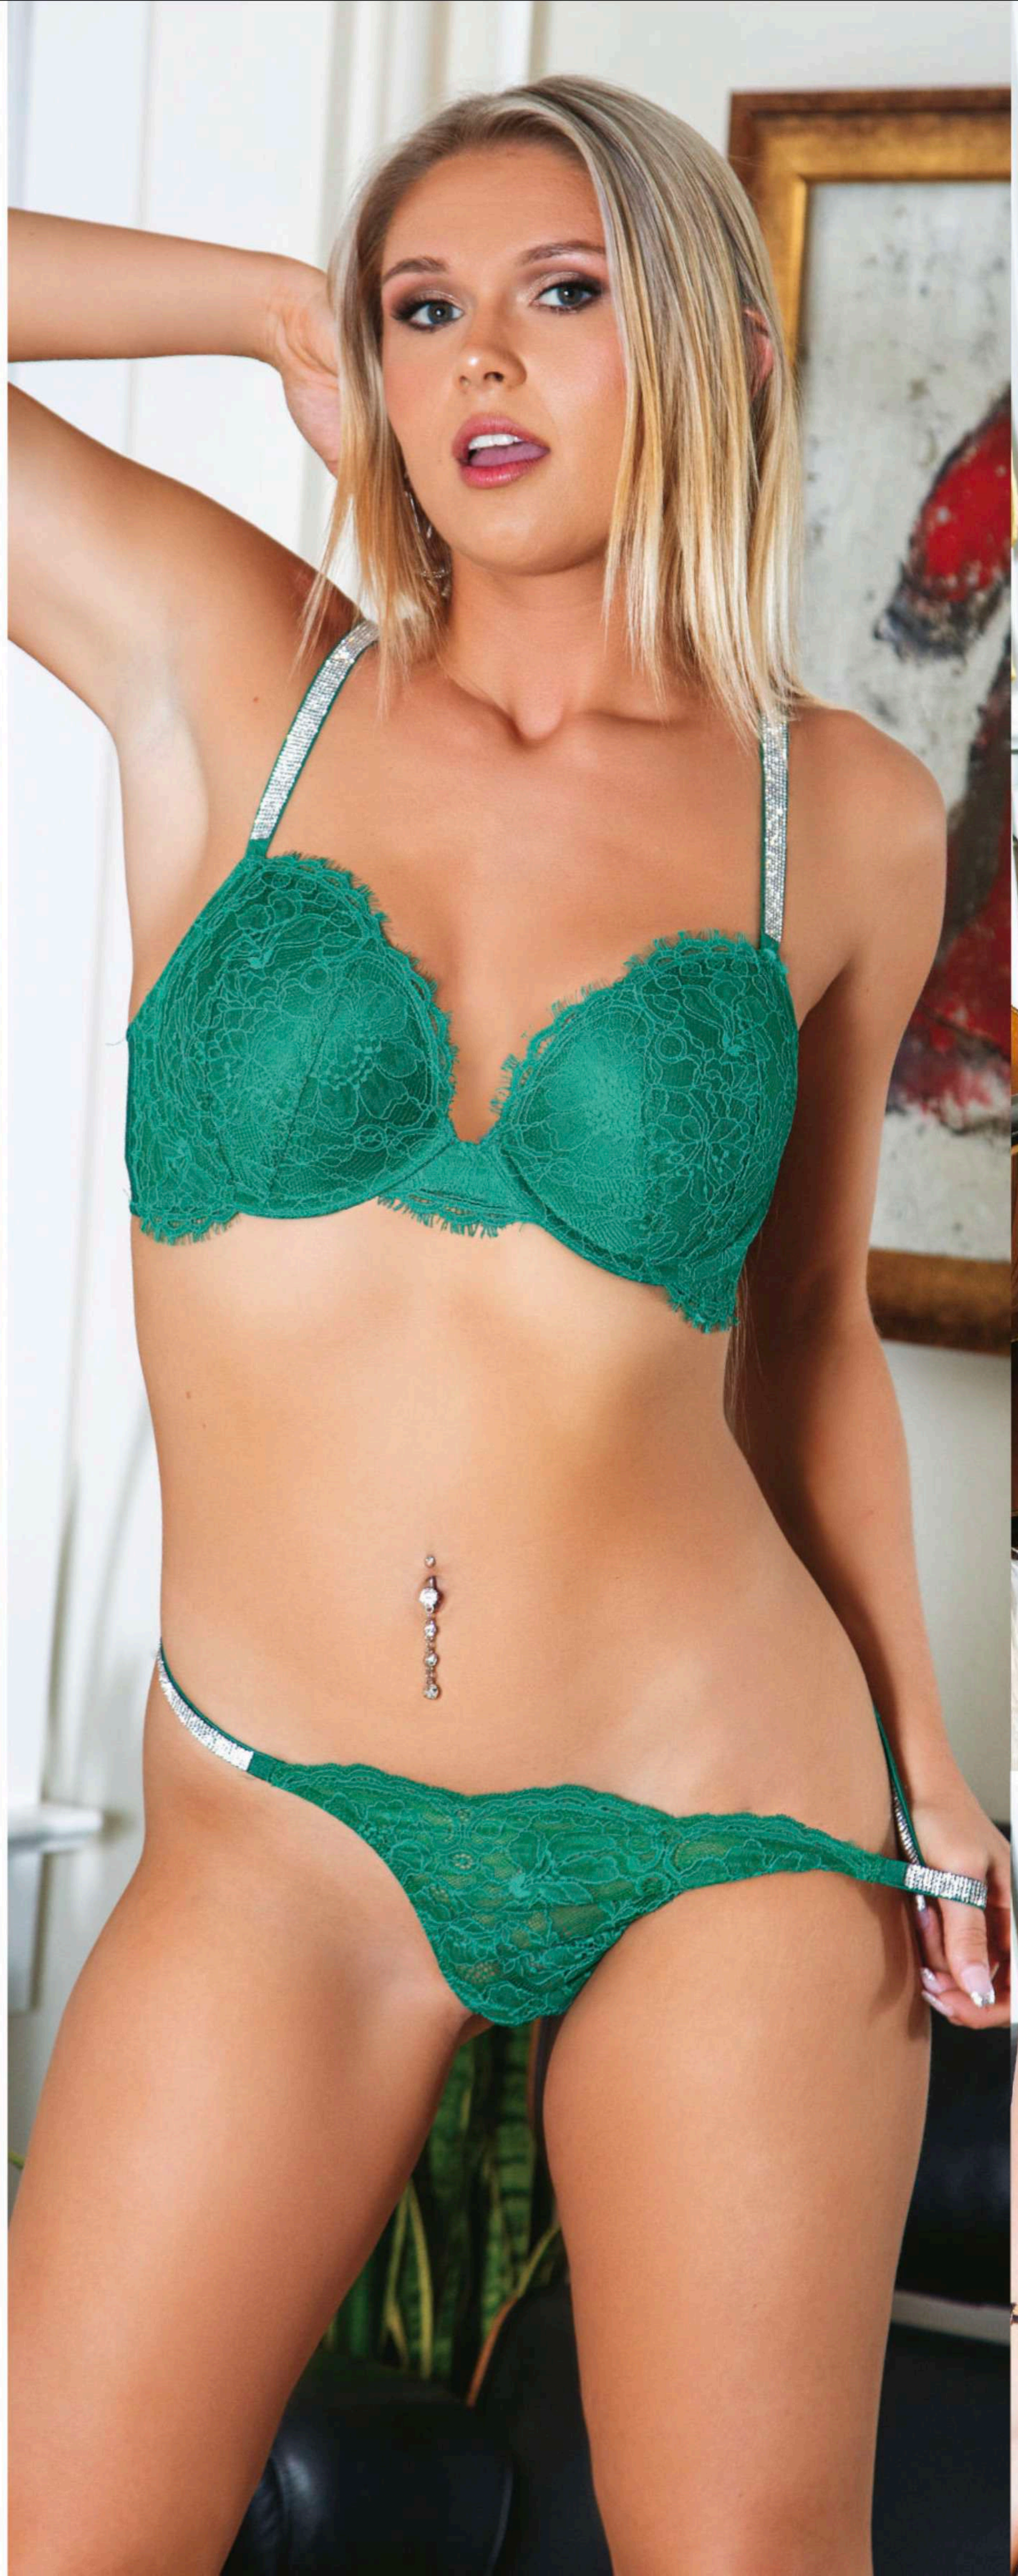
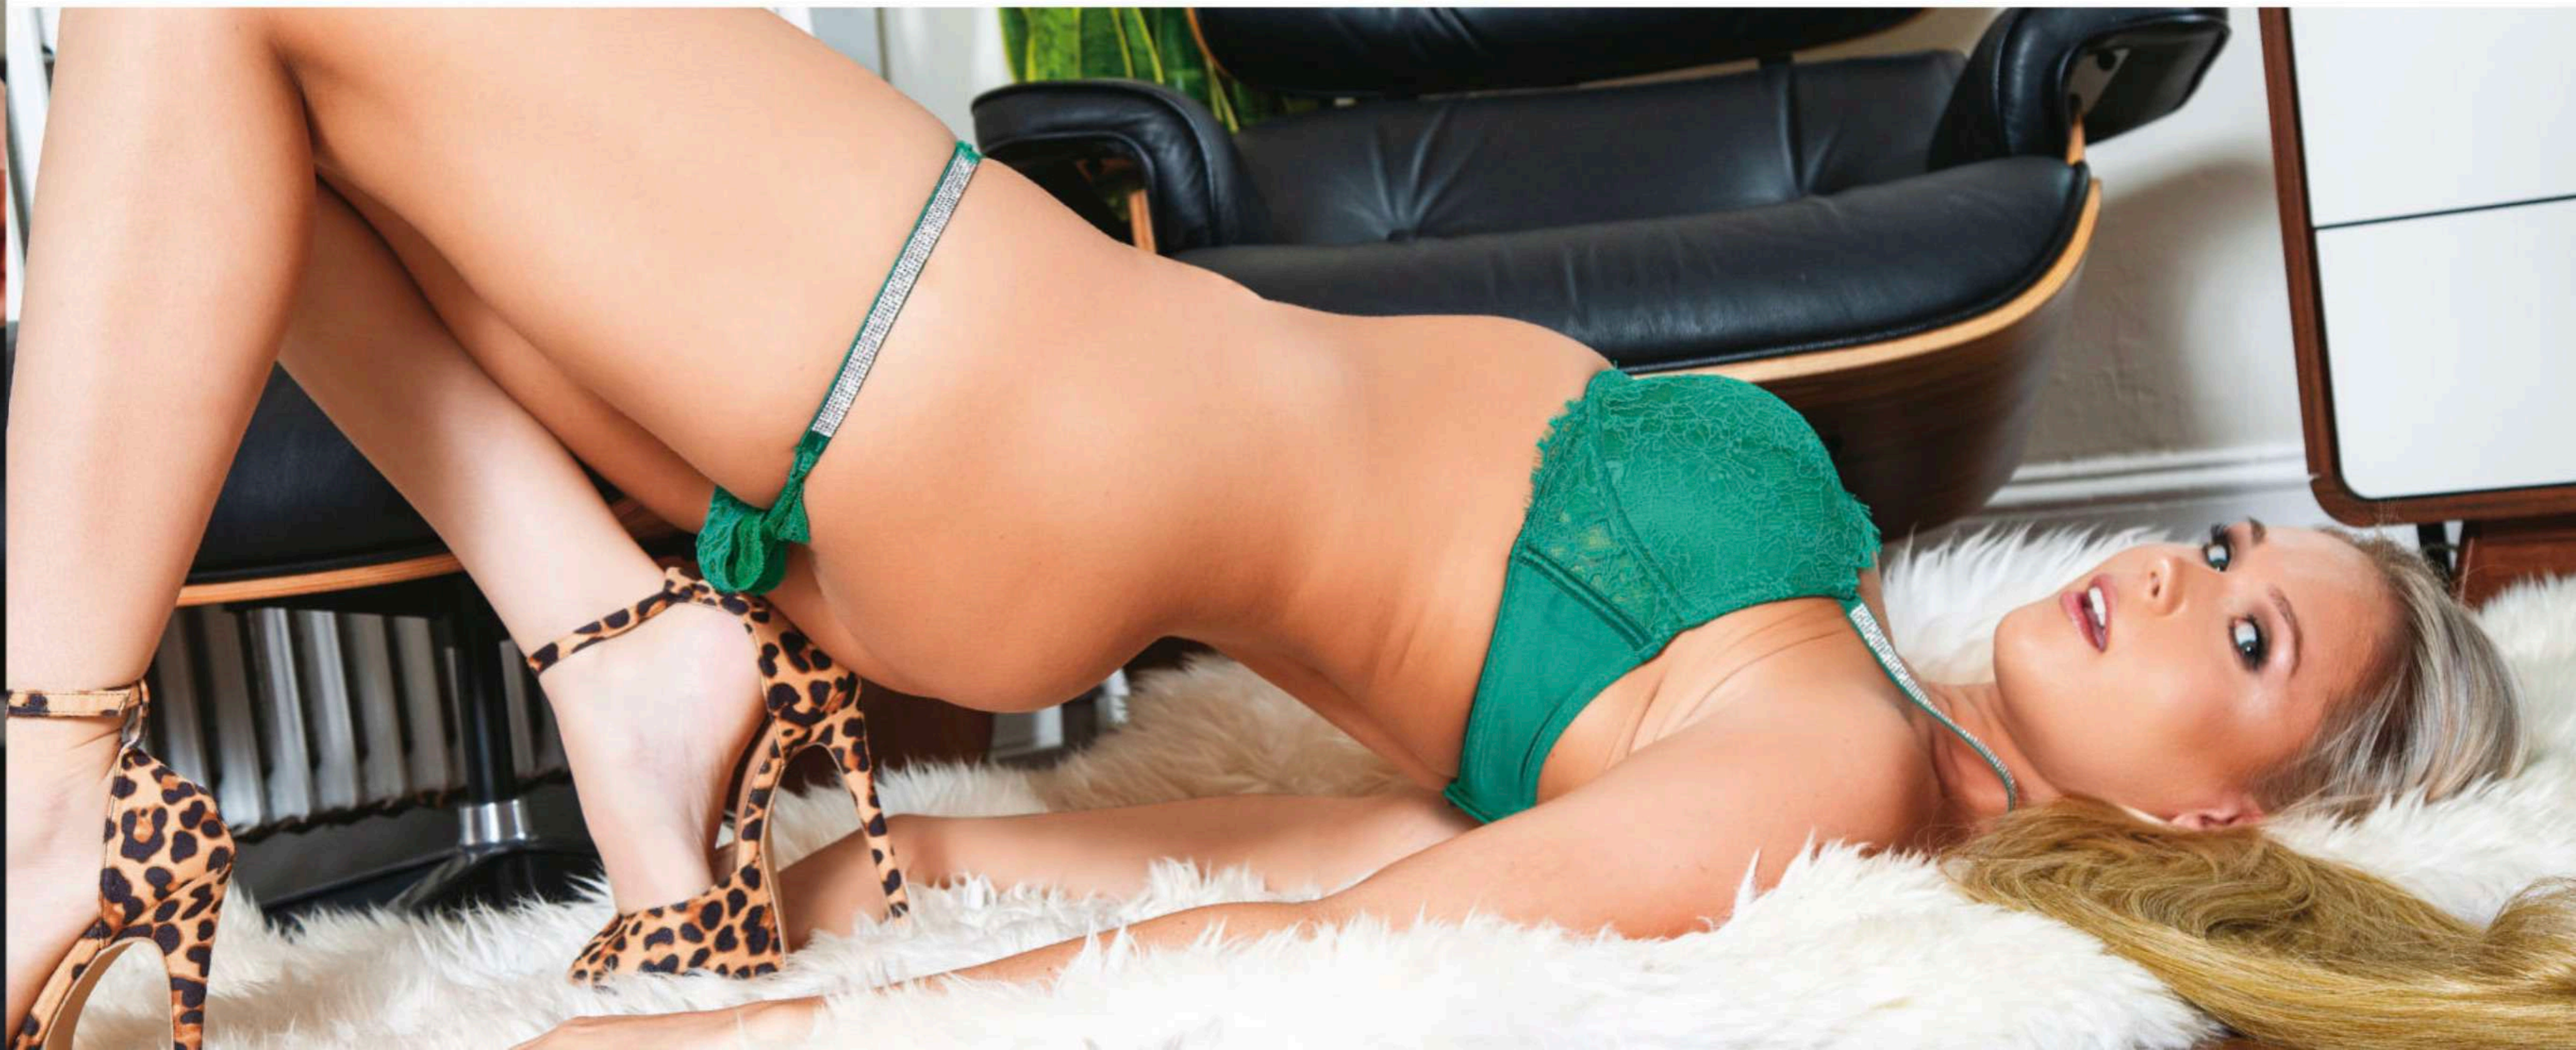
VERY KINK-FRIENDLY

PHOTOGRAPHY BY
ELLEN STAGG





There are so many things I love about being in the adult industry. The quick money and ability to make my own schedule are great, and of course I get to have lots and lots of orgasms on the job. My favorite part might be that I get to explore my interest in fetishes. I'm very kink-friendly—I once did rope suspension from a tree at a nudist resort in Jamaica—so I'm very grateful to have a professional outlet for that. I love what I do. This is my passion!

"When it comes to sex, I definitely enjoy it on the aggressive side. Pick me up and fuck me all around the room. Give it to me hard, rough and disrespectfully. Hate-fuck me like I'm a rag doll! And when you're done having your way with me, fill me up with a sticky creampie. They say that it's what's on the inside that counts—and I agree, especially when it's a nice, thick load of jizz."

Drill me and
fill me!

50 QUESTIONS
DEMI SUTRA

BY MISSY MARTINEZ
PHOTOGRAPHY COURTESY DEMI SUTRA

FOR THE FIFTH INSTALLMENT OF HUSTLER'S "50 QUESTIONS" SERIES, WE SNAGGED DEMI SUTRA. THE SELF-PROCLAIMED "EVIL CUTIE PIE" SCHOOLS US ON WHAT TO BRING TO AN ORGY POTLUCK AND WHY CUM SHOULD NEVER, EVER BE WASTED. JOIN US AS WE DIVE DEEP INTO THE MIND OF THIS POWERFUL PORN QUEEN.

HUSTLER: Realistically—how many penguins do you think you could fight at once?
DEMI SUTRA: Zero. I would immediately take them home as my children.

2. Which celebrities do you think would make great porn stars and why?
Darth Vader because he is so daddy and his voice is hot. Spock because he's quiet, weird and nerdy—also good with his hands.

3. Let's play fuck, marry, kill: mountains, oceans and deserts. And please give reasons.
Fuck mountains—they are big and earthy. Marry ocean—it is deep and endlessly exploitable with so many things. Kill deserts because they are too hot and too cold!

4. What commercial jingle do you find yourself always singing along to?
"It's my money and I want it NOW. Call JG Wentworth, 877-CashNow."

5. You just opened a restaurant named Demi's. What's the most expensive dish on the menu?
Ass. I just go and lay on the table ass up.

6. You *love* bats, to say the least. When did your love for these often maligned and misunderstood winged critters begin?
My love for bats began in my childhood. I was just obsessed instantly! I went to caves and saw them. My mom even got me an anatomically correct bat to take apart. Yeah, I'm weird.

7. Who do you think is the hottest animated character and why?
Johnny Bravo because he's subservient to women and kind of stupid. Also, he loves his mom.

8. What is something on your bucket list that would surprise your fans?
Splitting my tongue to give funner BJs.

9. Would you rather have an uncontrollable and wild orgasm every time you sneeze or every time you cough?
Cough. Because a sneeze already gets me halfway there. >>

10. You're a huge Michael Myers fan. What makes him your murderous man crush?
I think it's very daddy of him to carry that knife around. He doesn't even have to run. That's power. I like men with power. Also, I could fix him.

11. You've tatted your body with so much art you should be displayed in the Louvre, but I hear you can't bear the pain?! How do you power through your ink sessions without tapping out?
Sexualizing it, and prayer.

12. You can't stand heights but not in the way most people associate that fear. You're scared of ladders?! Umm…why?!
This is dark, but I'd rather fall to my death than fall and get injured.

13. Now, this is going to ruffle some of the readers' feathers: What are your thoughts on mustard in potato salad?
Make it legally punishable, straight to jail. No parole. Maybe even public execution.

14. You're a self-proclaimed "demanding ass brat." So we're going to need you to explain this a bit more.
I want what I want when I want it. I like being a bratty little thing and the punishment that comes with it. I'm a good girl wrapped in naughty.

15. Without cheating, what is the last saved pic in your phone's photo album? Please describe.
No joke, it's a nude I took in the Starbucks restroom while waiting for my coffee. I'm really embarrassed to admit this. I feel I will be scrutinized for drinking Starbucks coffee. Please still love me.

> **"ALIENS WOULD BE SO HOT, I'M SURE, WITH LIKE FOUR BOOBS AND THREE DICKS."**

16. Would you rather sing every other word you say or yell every other word?
Yell, because I already do, and I hate musicals.

17. If a famous artist, living or dead, were to be commissioned to paint your asshole, who would you choose?
Picasso. *Ass* is in his name and he is creative.

18. Finish this quote to make it true about you: "I'll eat ass, but I won't…"
I'll eat ass, but I won't eat asparagus if it isn't grilled.

19. Which cereal brand mascot do you think hangs dong?
Obviously Tony the Tiger and Count Chocula.

20. Oh, my God, your pussy was given the ability to talk! What does it sound like, and what are the first words out of its juicy mouth?
RUN AWAYYYYY, OR ELSE YOU'LL BE ADDICTED. I CAN GET SO WET, I BLOW BUBBLES. RUN, RUUUUN [*in a Darth Vader voice*].

21. Describe your current sex life with a famous movie title.
Finger of God.

22. They just discovered a new planet, and they named it Demi Sutra! What about the planet would make scientists choose to name it after you?
It has great tits and ass and a dirty mouth.

23. Holy shit, you just woke up on a deserted island and only have your porn shoot bag next to you. How are you using the contents in the suitcase to survive?
I could possibly live off of douche water, fight animals with my dildos and go fishing with anal beads.

24. You never cease to be an amazing and creative babe—you write short horror stories! Can you give us the premise of one of your terrifying tomes?
So this girl is in her house trying to pay her bills on the phone—already gross and terrifying—when you realize that she has been talking to robots this entire time. Then she tries calling her friend, and for whatever reason she gets a robot answering service. She starts to freak out and go to her neighbor's house, where the doorbell answers in a robotic tone. She notices that she hasn't seen much action outside; she becomes very confused and runs to her room. Then to her surprise, her best friend knocks at the door! She hugs her, exclaiming and explaining that she thought everyone was a robot and she would never see another human again. While still embracing her friend, she hears her robotic response, "Sorry, could you please repeat that? I didn't quite understand." As she pulls away from the hug, she realizes she was hugging a fucking robot!

25. Okay, you're in a group of people and you want them to leave you alone. What is one sentence you can utter that would instantly make everyone go away?
OMG, wait…was there dairy in that?! I ATE THE ENTIRE THING!

26. If you could go back in time and see one famous person from history naked—with their enthusiastic consent, of course—who would it be and why?
Ray Charles. I just think he really must've been packing, with all the songs about him being a cheating bastard.

27. This orgy is also a potluck!! What dishes are you bringing?
Chocolate-covered strawberries and charged octopuses. >>

PHOTO: SERGIO GARCIA

28. Would rather hear the sound of a garbage disposal nonstop when you go to sleep or a vacuum and why?
Vacuum. It's sexier.

29. If aliens exist, what do you think they look like?
Aliens would be so hot, I'm sure, with like four boobs and three dicks.

30. Bonus alien question: Would you fuck one? Consensually, duh.
Who's to say I haven't already? Slightly offended you would ask.

31. Crayola just added a new crayon to the box named Demi. What color is it?
Deep brown with purple and black glitter.

32. Why do you call yourself a succubus? What is that?
A succubus is a sex demon that lives off of cum. You do the math.

33. What's the deal with cum?
The deal with cum is that it should always be swallowed, never spit out. It's hot when it's hot, and it's gross when it's cold. Have I left some in my hair and gone about my day? Yes, I have.

34. Would you rather crow loudly like a rooster every time you have an orgasm or moo like a pissed-off cow?
Definitely crow, LMAO!

35. What's something in your bedroom closet right this very second that people would be shocked to find?
It depends on who the people are. I have a torso man next to my narcotics anonymous book.

36. If you could be given *any* item/object/artifact from a museum, which would you choose?
That big ass diamond—any of them.

37. We knew it—you're a badass secret agent! What's the special skill you use to complete your missions?
Okay, okay, the allegations are true. I have guns in my boobs like in the *Austin Powers* movie.

> **"OKAY, OKAY, THE ALLEGATIONS ARE TRUE. I HAVE GUNS IN MY BOOBS LIKE IN THE *AUSTIN POWERS* MOVIE."**

38. What sitcom theme song would you want playing in your day-to-day life? Only when you wake up—I'm not a monster.
Hmm, maybe the *Everybody Hates Chris* one.

39. What kitchen utensil do you think would make the best sex toy and why?
Spatula for spanking, of course! I can spank myself if needed and also use the handle in my pussy.

40. Finish this sentence: "BREAKING NEWS: Demi Sutra was just banned from Home Depot for _____!"
Asking the workers to fuck me on the lift while all the other workers and builders watch.

41. What do you think is the funniest slang word for penis?
Pecker, for sure.

42. Okay, now let's flip it—funniest slang word for vagina?
Man in a boat, lol!

43. You just woke up with eight nipples! How would this change your life?
I would be more turned on and need them all sucked IMMEDIATELY.

44. No matter how many times you try, which word do you manage to misspell every time?
Resteraunt [*sic*].

45. Pick one: armpits that always smell like cheddar and sour cream *or* armpits that always smell like hot dog water?
Hot dog water, but I would get them surgically removed from my body.

46. Oh, no, you're on the flight from hell! Would you rather have a baby crying the entire flight—you don't have headphones—*or* have someone kicking the back of your seat nonstop the entire flight—and you can't tell them to stop?
Baby crying over the kicking, because I would kick back and then be on the no-fly list.

47. Which Disney prince do you think is best at "eatin' it"?
Definitely Jafar from *Aladdin*, but he's no prince. I know a BDSM passion king when I see one.

48. What is the Demi Sutra version of "Live, Laugh, Love"?
Fuck. Come. Eat a bunch of food.

49. VERY important question: WHO LET THE DOGS OUT?!
Through tears IT WAS MEEEEE!!

50. What can we all look forward to from you next?
Well, I am planning a little mainstream porn comeback with a select few companies, and I am also writing more short stories!

Keep up with all things Demi Sutra! X: @DemiSutra; Instagram: @yogidemisutra; web: demisutra.com

Even before I got into porn, I was a big fan. It's funny though—the kind of porn I like has changed since I joined the industry. I'm way more into the amateur stuff now. I guess, now that I'm a pro, I like to switch it up with some homemade smut for my personal viewing, LOL!

"If there's one bit of advice I would give a woman who wants to up her sex game, it would be, play with yourself more often! It's the best way to figure out what gets you off, which in turn will make you more comfortable and expressive with a partner. Get in touch with your own needs, and you'll be able to connect better with your lovers too." **—Ava**

I’m not obsessed with dick size. As far as cocks are concerned, big and small, I love ’em all! It’s nice to have options. Also, when a dick is too big, especially if it’s really curved, it can be limiting—I can only deep-throat something like that in certain positions, and I like to give it my all with blowjobs.

“In terms of men, I’m a sucker for a good dresser—the elegance of a man who really knows how to put himself together gets me so hot. Of course, I get even hotter seeing those nice clothes balled up on my bedroom floor.” **—Lexi**

CANDY

SWEET INSPIRATION

HUSTLER CLASSIC
OCTOBER 1976

Candy first graced our pages in December ’76—a little over two years after the launch of America’s Magazine—and the outpouring of love for this beauty was staggering! Fans praised her incredible natural breasts and handful butt cheeks, but most of all they prized her tufts of white-blond pubic hair and the sticky-sweet pink treat they adorned. So this Halloween, we once again wanted to share our delicious **Candy** with the world. Yum!

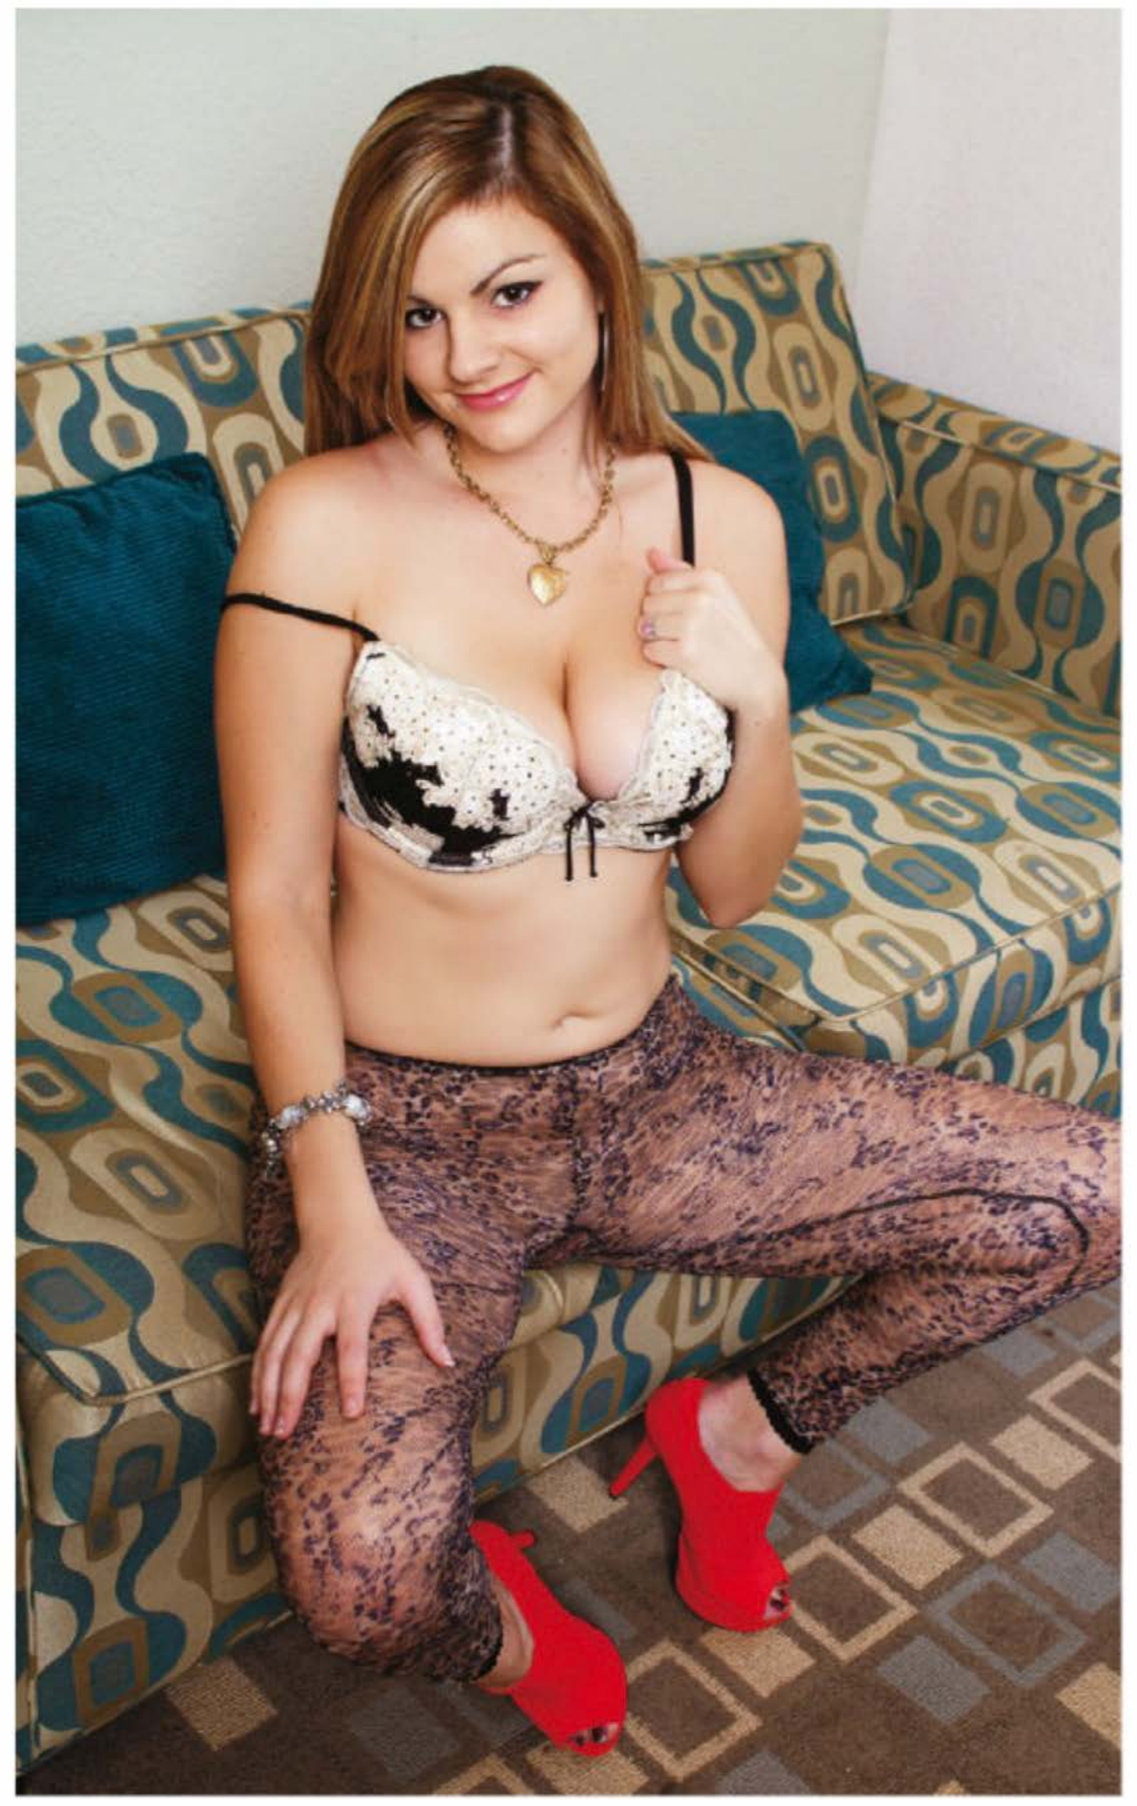
WELCOME TO VOYEURS' FAVE AMATEUR SHOWCASE SINCE 1976!

BEAVER HUNT

EDITED BY MORGEN "TEX" HAGEN



KEIYRA LINA

"I never imagined modeling nude, much less for a big-time magazine like HUSTLER," says Keiyra Lina, 22, a "caring and kindhearted" office temp from Neptune, Florida. "Then I had this brainstorm to ask one of my open-minded gal pals to take some pictures for me to stuff into a drawer and look at later in life." Uh-oh, it seems the 5-foot-3 cutie—whose fave leisure activities are hitting a beach and skateboarding, usually donning a skimpy bikini—has changed her plan. "Call me petulant or impatient," Keiyra relates, "but the thought of showing off my body to lots of people while I'm still young and sexy really excites me! I'm not in a relationship, so I can do anything I desire!" That includes telling us about her hetero sex life. "I'm a total nympho, but I'm not a slut," Keiyra asserts. "I've always been monogamous, but I love being kinky and nasty. I absolutely love sex, and I'm never afraid to try something new at least once. My biggest thrills so far are having sex at a beach and park and my introduction to anal intercourse. It was heavenly!"

—Photos by Tampa Steve

MagDownload.org
MagDownload.org
MagDownload.org

"Despite being monogamous, I fantasize about being in a threeway or even a gangbang. I'd love to be totally manhandled by two or more studs, sucking one cock while the others take turns fucking me from behind or doing whatever they want with me."

Birthday Delights

For some dandy eye candy as Halloween approaches, we've rounded up a handful of Beavers celebrating birthdays in October. Coralyn Jewel from San Diego, California, is a XXX performer, relationship coach, motivational speaker and swing club owner. "I love sex and truly think that it gets better with age," she declared. "I especially love sensual foreplay. The tease is the best part." Alexis Skyy—a "sweet and sassy" cam model from Youngstown, Ohio—told us, "I love my body and am very comfortable with being nude. My boyfriend is amazed by how tight and beautiful my beaver is." Greta Foss from Prague, Czechia, remarked, "Porn is my passion. I love everything about it—fucking, giving blowjobs, swallowing sperm, double penetrations and gangbangs. The combination of absolute submission and dirty sex blows my mind." Alex Valentine—a "confident, ambitious and quirky" exotic dancer and entrepreneur from Chesapeake, Virginia—professed, "I'm really into BDSM. I also like to dress up in costumes. My wildest sexual experience was being boned in a graveyard at 3 a.m." Holly Hotwife—a "free-spirited, jet-setting exhibitionist" from Houston, Texas—marveled, "Being published in a legendary magazine such as HUSTLER is a dream come true." She added, "Pleasing my hubby is my priority, and we live like it's our last day on Earth. He likes to watch me get fucked by other men or hear about my naughty adventures." Holly's blend of breathtaking beauty and sexual ardor laid the groundwork for her being crowned our 2023 Beaver of the Year. Happy birthday, ladies!

"I love discovering a woman's girly, emotional side and riding an average-looking dude's dick. I want to make his week, his month, his year. Hot, buff guys always get laid. I like to pay special attention to the average Joes and rock their world!"

HOLLY HOTWIFE

JESSIE WYLDE

"I wanted to model nude since the day I helped my bestie tidy up her family's garage and found some copies of HUSTLER in her father's secret porn stash a few years ago," recalls Jessie Wylde, 21, a college student from Baltimore, Maryland. "Thanks to a strict upbringing, I'd never seen a porn magazine before. Omigod, looking at beautiful women exposing every inch of their naked bodies left me speechless and in awe. How could any woman be so proud and brave? But something stirred inside me, and I vowed to be just like them. That day another exhibitionist was born!" The 5-foot-4 hottie continues, "I'd describe myself as sweet, humble and caring. I enjoy swimming, cooking and exercising while listening to music—mostly country, rock and even gospel—but I have a secret wild side that I'm eager to explore." It isn't a secret anymore! "I'm a little bi-curious," Jessie admits. "I've never been intimate with a girl, but I'm not opposed to being persuaded. Same goes for a threeway with a hot guy and another girl. As for my current sex life, I'm a submissive little bitch in the bedroom! I beg to be completely dominated. I love any position that involves having a huge cock inside me, but doggy is my favorite. Will my partner pull my hair? Slap my ass? Slip a finger or his cock into my asshole? Yes, please! I also love sucking cock; it gets me so wet. Feeling a guy's strong hands on the back of my head and locking eyes as he prepares to fill my mouth with his tasty cum is awesome. The contented look on a man's face when I keep sucking even after he comes also turns me on. I'm a pleaser, and spitters are quitters." *—Photos by Omnia Productions*

"One of my fantasies is going to a Halloween party in a white ghost costume with nothing on underneath and getting a rush as everyone ogles me when I suddenly take it off!"
